Anatomy one of the most difficult subject in the medical world. One can not easily remember structures, bones name, muscle names, boundaries and a lot of other stuff. One day L Moore (Auther of Essential Anatomy) decided to help and he made anatomy easy but not that much easy.

Essential Clinical Anatomy (5th Edition) - PDF Download ...

“The tutors knowledge of head and neck anatomy was amazing. I found this course so useful, it was well prepared and thought out. The tutor was genuinely interested and invested in the group’s learning. The small group style meant there were plenty of opportunities for discussion and interaction. I really liked the style of teaching.
