To anyone that has been watching markets since the onset of COVID-19, it is no secret that large cap stocks have been at the epicenter of the action. Everywhere you look, people are talking about them as they continue their gravity-defying ascent. What about small cap stocks though? They may not be as flashy or well known as the big, blue-chip stocks, but they too are capable of oversized returns.

Last Man Standing was a wonderful look into the life of Jamie Dimon. Although the book makes him out to be a charismatic, can't-do-anything-wrong CEO, the author is keen on showing his flaws as well. Of course, his recent success has overshadowed his weaknesses but nonetheless, Dimon appears to be a man on a mission.
