Speak your story or write your story so it is all out on paper. Step #2: Take a moment to honour and respect your story. If there is any pain, feel it. If there is hurt, allow yourself to wallow in it for a minute. Give yourself just 1-2 minutes to say goodbye because you are about to get rid of attachment to this story for good- hooray! Step #3:

### How to Release and Let Go of the Stories You Keep Telling ...

"Letting the story write itself" is just a figure of speech referring to this method where you extrapolate from events in the story to create the next section, with little regard for what will happen much further down the line. level 1
