This is a shot in the dark, but I am having trouble finding any information on the internet regarding this. LOML's Grandfather has a LEV home elevator installed in his house. He was in AZ for the past five months, and now that he is back at his home in Springfield, IL he has found that his elevator does not work. He is 94 and walking up and down the steps is a lot of work for him.

Anyone have experience fixing LEV home elevator?
