### **Guided Meditation for Inner Peace and Calm / Mindful ...**

Guided meditation describes a type of meditation led by a teacher, in person or via audio or video. When starting out, having an expert lead you through the basic steps of your meditation practice is recommended. Whatever skill we are learning in life, having an experienced teacher we can trust and relate to is important.

### **Guided Meditation - Headspace**

Mindfulness meditation Another popular practice in the U.S. is mindfulness meditation, which is based on stillness and calming the mind. Mindfulness meditation often involves sitting comfortably and paying attention to your breath, your physical sensations and your environment. When your mind wanders, you gently bring it back to the present.
