Many MFP types, regardless of the category they fall into, also come in a "printer only" variety, which is the same model without the scanner unit included. This can even occur with devices where the scanner unit physically appears highly integrated into the product. As of 2013, almost all printer manufacturers offer multifunction printers ...

For Stone Go To IPA, we embrace our hop obsession in a new way, funneling an abundance of lupulin-borne bitterness into a session IPA that delivers all the fruity, piney character of a much bigger IPA. To accomplish this, we employ hop bursting, a technique wherein an irrational amount of hops is added during the final phase of the brewing ...
