Military Strategy: Principles, Practices, and Historical ...

Military strategy is a set of ideas implemented by military organizations to pursue desired strategic goals. Derived from the Greek word strategos, the term strategy, when it appeared in use during the 18th century, was seen in its narrow sense as the "art of the general", or "'the art of arrangement" of troops. Military strategy deals with the planning and conduct of campaigns, the movement ...

military means to achieve military objectives. Mini-theories of military strategy, consisting of the five basic military strategies of extermination, exhaustion, annihilation, intimidation and subversion, are woven together into a coherent military strategy theoretical framework. Additionally, I expose the principles of war as a myth, instead

University of Nebraska - Lincoln DigitalCommons@University ...

Military doctrine is the expression of how military forces contribute to campaigns, major operations, battles, and engagements.. It is a guide to action, rather than hard and fast rules. Doctrine provides a common frame of reference across the military. It helps standardize operations, facilitating readiness by establishing common ways of accomplishing military tasks.
