Model Engineer

The Journeyman's Workshop is based in a typical model engineers shed which I built many years ago. The workshop has seen many changes and at one time included both a darkroom and the

"potting shed". The workshop has been on-line in one form or another since 2007. The original pages are reviews of my lathe and milling machine.

We'd guess that the Quorn Universal Tool & Cutter Grinder is known by just about everyone who owns a small workshop. If you haven't built one - "odds on" you've thought about it? Launched by Prof. Dennis Chaddock and Model Engineering Services in 1974, the Quorn is a triumph of engineering design and a hugely desirable asset.
