The majority of people looking for motivation will wait for something, or someone, to come around and motivate them before they can get up and take action to motivate themselves.. This is the wrong approach. I operated with this “motivation comes before action” mentality for years before finally realizing that I had it all backwards.

As discussed earlier, Performance  
Expectations = Results + Actions &  
Behaviors. Understanding the actions  
and behaviors that employees can use  
to perform the job is often as important  
to success as end results. Behavior is  
the day-to-day activity in which people  
engage to produce results and relates  
closely to the process side of work.
