### **Narratives of Free Trade: The Commercial Cultures of Early ...**

Narratives of Free Trade joins a growing literature concerned with unraveling how Americans' engagement with China and Chinese engagement with Americans shaped each nation, and in turn how these encounters shaped the modern global system. By mobilizing new and old forms of analysis in service of this project, and by putting scholars of the United States and China into conversation, the book opens up new vistas for exploration and expands a field that we can expect will continue to grow for ...
