asserts here that a society's affluence and economic growth depend on innovation, occupational mobility, the effectiveness of the mass media, universal literacy, and an all-embracing educational system based on a shared ...

Nations and Nationalism | Ernest Gellner | download

This book gets an only holistic view about nations and nationalism on this subject. I suggest reading Gellner's theory instead of Anderson and other post-structuralist academics. Of course, they share a common core on some points, but the book differs from other books on historical analysis and the sociological imagination.

The present v... (□□□□) Nationalism is one of the most powerful forces in the modern world, yet it is surprisingly little studied and only imperfectly understood, either by its adherents or its opponents. Its irruption into the modern world is often explained as a resurgence of primitive, atavistic instincts, or as a delusion fostered by a few theoreticians, politicians or propagandists.

Nations and Nationalism (□□)

Nationalism is an idea and movement that promotes the interests of a particular nation (as in a group of people) especially with the aim of gaining and maintaining the nation's

sovereignty (self-governance) over its homeland. Nationalism holds that each nation should govern itself, free from outside interference (self-determination), that a nation is a natural and ideal basis for a polity, and ...

Nationalism - Wikipedia

Contents. Hazony argues that the nation state is the best form of government that humans have yet invented, contrasting both with historical empires and modern forms of global governance including United Nations affiliated institutions such as the International Court of Justice. In particular, Hazony argues that nationalism uniquely provides, "the collective right of a free people to rule ...

Nations and Nationalism Journal - LSE Home

In the age of nationalism, but only in the age of nationalism, the principle was generally recognized that each nationality should form a state—its state—and that the state should include all members of that nationality. Formerly states, or territories under one administration, were not delineated by nationality.

nationalism | Definition, History, & Facts | Britannica

Answer: Nationalism is loyalty and devotion to a nation. Most people feel a certain level of loyalty to their homelands or the countries into which they immigrated. It is natural to love one's homeland, and there is nothing wrong with nationalism per se. The Bible gives both good and bad examples of nationalism.

Excerpt from Nations and Nationalism

Alongside the history of the nation the author charts successive stages in the development of nationalism, offering an explanation of why it was that in the decades preceding the twentieth century the concept of the nation began to take hold of the people at large.
