2020 Volkswagen Polo TSI Review: Driver's Delight, But

...

The 1.4 TSI of the EA211 series is a 1.4-liter four-cylinder gasoline turbocharged engine. The new EA211 engine family was designed to use in VW's MQB platform which involves a certain unification of the engines too. At first glance it might seem that the new 1.4 TSI is a modified version of the 1.4 TSI EA111 engine because they have similar power output, look, and displacement, but it is an entirely new engine based on the experience of designing and production of previous small ...
