[(Organizational Stress Management: A Strategic Approach ...

It is the strategy that an organization in the market hopes to execute. Therefore, intended strategies are often described in detail in the organization's strategic plan. A strategic plan made for a new firm is known as a business plan. This plan is a rough strategy that intends to keep the organization on track.

Strategic Management - Types - Tutorialspoint

A strategic plan is like a road map for your organization. We can develop this through strategic positioning analysis. When we try to define our strategic position, we are essentially trying to analyze the business context and developing a strategy. We are taking an account of the environment in which the business functions.
