Politics In The European Union

The politics of the European Union are different from other organisations and states due to the unique nature of the European Union. The EU is similar to a confederation, where many policy areas are federalised into common institutions capable of making law; however the EU does not, unlike most states, control foreign policy, defence policy or the majority of direct taxation policies. These areas are primarily under the control of the EU's member states although a certain amount of structured co

Politics of the European Union - Wikipedia

Review from previous edition Politics in the European Union serves up a well-balanced mix of theoretical and empirical material, and will again appeal to both students and scholars with an interest in this area. Steven Kettell, Political Studies Review
