It documents the return of the extra juridical power of sovereignty (as conceived by Foucault) and its impact on the precarization of life (naked life). As a response to this attack on life, Butler advocates an ethical responsibility focused on mutual-recognition and visibility of the excluded, even if the only way to do it is to mourn them.

Review of Precarious Life: The Powers of Mourning. In the radically changed cultural and political situation of post-9/11 America, where the visible and invisible control of other voices have rapidly intensified, many, particularly those who are critical of the Bush administration and its foreign policy, have sought to envision another America where voices critical of the narrowing vision of America can be articulated and heard without restraint.
