Epistemology • Methodology • Paradigm shift • Positivism • Modernism • Post-modernism • Post-positivism

Research terminology simplified: Paradigms, axiology ...

Axiology, (from Greek axios, “worthy”; logos, “science”), also called Theory Of Value, the philosophical study of goodness, or value, in the widest sense of these terms. Its significance lies (1) in the considerable expansion that it has given to the meaning of the term value and (2) in the unification that it has provided for the study of a variety of questions—economic, moral, aesthetic, and even logical—that had often been considered in relative isolation.

What is axiology and how does it relate to ontology and ...
