The "Back" of God. God is present throughout the events of the exodus. But theophanies represent events of intensive presence that underline the principle that he is always present with his people and that he is faithful to his word and his covenant. After the incident with the golden calf ( Exodus 32 ), Israel's future appears to be in doubt.

## **What Did Moses See When He Saw the "Back" of God ...**

Introduction Generally, we tend to think of the backside of anything as its worst

2. And the second way is that, in the narrative of the Bible, we see the glory of God and finally we will see him face to face through Christ — by seeing Christ. So, John 1:14, 18 says, “And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father. . . .
