A wonderfully fresh, wildly imaginative notion of a book. The major portion consists of a journal addressed to Graft from Siegfried Javotnik, "Siggys," as he spends a long night in a Vienna zoo plotting out details for a "zoo bust." His observations center on the night keeper O. Schrutts who torments the small mammal house by deliberately setting the animals against each other. Interspersed in ...

While not the most important or most well written novel of all time, "Setting Free the Bears" is one heck of a wild ride. I am blown away that this book is a "first novel." It is a clear sign of Irving's greatness as an author that he could write something this complex and entertaining his first time out.
