A shaman is one who serves his people by acting as an intermediary to the spirit world. The claimed ability to communicate with the world beyond death is at least as old as the time when early humans first conceived the idea that some part of them somehow survived physical death and existed in some other place in spirit form.

Christina Pratt, director of the Last Mask Center for Shamanic Healing in Portland, OR, brings us an outstanding reference on Shamanism. An introductory section orients the reader to various aspects of shamanism, distinguishing shamanism from healing and psychic practices.

An Encyclopedia of Shamanism, Volume One: A-M: Pratt

...

Shamanism, religious phenomenon centred on the shaman, a person believed to achieve various powers through trance or ecstatic religious experience. Although shamans' repertoires vary from one culture to the next, they are typically thought to have the ability to heal the sick, to communicate with the otherworld, and often to escort the souls of the dead to that otherworld.
