(of a liquid) to move around noisily in the bottom of a container, or to cause liquid to move around

Read Online Sloshing

in this way by making rough movements: I could hear you sloshing around in the bath. We sloshed through the puddles. She sloshed (= poured without care) some more brandy into her glass.

SLOSHING | meaning in the Cambridge English Dictionary

Sloshing Similar to shagging, sloshing is slang for good, hard, wet sex. It also describes the sounds heard during intercourse when his cock is buried in her pussy and creates a wet suction sound with their mingled juices as he pounds her, usually from behind. It can be used in other forms to describe aspects of wet sex.

Urban Dictionary: Sloshing

Recent Examples on the Web: Noun Though the slosh of Earth's oceans produces a comparable sound, scientists have yet to suss out a plausible cause for the Red Planet's curious tune.
