Mr. Scott's Guide to the Enterprise, written and illustrated by Lara Johnson, known as Shane Johnson at that time, is a book describing the post-refit USS Enterprise (with some information on the Enterprise -A) from the Star Trek fictional universe. It is written from the viewpoint of the ship's chief engineer, Montgomery Scott.

Mr. Scott's Guide to the Enterprise - Wikipedia

Scott's Guide to the Enterprise is one of the earliest Star Trek reference books. It's a fun, quick tour that provides deck-by-deck schematics of the Starship Enterprise, a review of Starfleet uniforms, insignias, and weapons. Of course, many Trekkies argued the accuracy of the material back in the early days, but I never concerned myself with it.
