### How to Play Sudoku for Absolute Beginners - YouTube

How to Play Sudoku. Sudoku is a logic game played on a 9x9 grid using the digits 1 through 9. This grid is further subdivided into nine 3x3 boxes. The goal is to fill in the grid with digits such that one and only one of each digit 1 through 9 appear in every row, column, and box. At logicgamesonline.com, you enter a digit in a sudoku grid cell by moving your mouse over that cell and then typing the digit.
