Having a supportive principal can make all the difference for a teacher. Teachers want to know that their principal has their best interests in mind. One of the main duties of a principal is to provide ongoing, collaborative teacher support. The relationship between a teacher and a principal has to be built on a foundation of trust.

How Principals Can Provide Teacher Support

People often make a big deal about teacher pay. It is true that teachers do not make as much money as many other professionals, especially over time. However, each state and district can vary widely on teacher pay. Further, when you look at how much you are being paid, make sure to think of it in terms of the number of months worked.
