Talking to Our Selves: Reflection, Ignorance, and Agency John M. Doris Abstract. The unconscious mind, contemporary psychology tells us, determines much of what people do: very often, we don't know why we do what we do, or even exactly what we are doing. This picture undermines the philosophical—and common sense—picture of human beings as ...

## **Talking to Our Selves: Reflection, Ignorance, and Agency ...**

In Talking to Our Selves I develop a dialogic theory, where the exercise of morally responsible agency emerges through a collaborative conversational process by which human beings, although afflicted with a remarkable degree of self-ignorance, are able to realize their values in their lives. View
