Film grants are usually unrestricted funds, services, or equipment that can be used for the development, production, or distribution of a project. They do not have to be repaid. Often the awarding entity will want status updates or recognition in the film's credits. Film grants give independent filmmakers the most freedom.

### **Art of Film Funding, 2nd Edition: Alternative Financing ...**

"You might be able to pull off a small project with the help of [credit cards], but if you do not learn the art of funding, your film career is going to be very short." While many books on film funding focus on whether a film should be made, Dean's book assumes that the reader has already answered that question in the affirmative.
