Amazon.com: The Border: Exploring the U.S.-Mexican Divide ...

More than 250 million people cross the U.S.- Mexican border legally each year, and as many as 10 million do so illegally, making the border—la frontera to Mexicans—the most traversed national boundary on the planet. In an age of terrorism and economic uncertainty, that border is already one of the most hotly debated issues in American politics and is certain to play a prominent role in the 2008 campaign for president.

Truly experiencing the journalistic tone of stereotypical stories of the border, David J. Danelo manages to balance interviews, perspectives as well as stories of individuals known as the militiamen along the border, to federal agencies that seem out of reach, to remote law officers in the desolation of the Mexican, United states border, to the individuals themselves that cross, smuggle, and are caught between the discrepancies of immigration, legal and not.
