What Happened to Africa?

The Fate of Africa: A History of the Continent Since Independence by Martin Meredith.

The Fate of Africa by Meredith, Martin (ebook)

"The Fate of Africa" is a welcome addition to a body of literature too often fragmented and of too narrow a scope to understand the interactions between the relevant agents. The prose is clean and unobtrusive and at times heart-wrenching. "Fate" avoids being shrill or overly sentimental - it relays the history plainly and without overmuch pathsos.
