The Gospel Reloaded Chris Seay

In The Gospel Reloaded, Seay tries to piece these together in a theologically consistent whole, but never seems to approach the matter with any depth. While he discusses many interesting theological implications in The Matrix and it's sequels, there are many interesting points that he misses.

The Gospel Reloaded: Exploring Spirituality and Faith in ...

The Gospel Reloaded rushes headlong into The Matrix, exploring the trilogy's intricate details, religious undertones, and eclectic philosophies. These aren't movies you just "watch." They are postmodern epics, full of meaning and metaphor--deserving of serious inquiry and contemplation.
