Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface.

However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Introduction. Malidoma. Patrice Somé. I have come to understand that indigenous and Western peoples are actually children of the same Spirit, living in the same house they call Earth. The dysfunctional relationship of modern and indigenous peoples is symptomatic of a craving to share love for each other that is deeply buried in our psyches, a
