mainstream history is highly selective; just as so-called European historians habitually write about Germany and Russia while ignoring "the lands between", so English historians often discuss the British Isles, as if only England counts.

The Isles: a History. | Norman Davies official website

The Isles: A History is a 1999 narrative history book by Norman Davies. Content [edit] As in his earlier Europe: A History (1996), Davies is not trying to present any new history, but does want to tackle what he sees as historiographical biases in the treatment of the history of Britain and Ireland.

The Isles: A History - Wikipedia

Norman Davies. Written by one of the most brilliant and provocative historians at work today, The Isles is a revolutionary narrative history that takes a new perspective on the development of Britain and Ireland, looking at them not as self-contained islands, but as an inextricable part of Europe. At every stage, The Isles connects offshore development with parallel events on the Continent.

agenda-setting work is destined to become a classic.

The Isles: A History: Amazon.co.uk: Davies, Norman ...

The term "Channel Islands" began to be used around 1830, possibly first by the Royal Navy as a collective name for the islands. The term refers only to the archipelago to the west of the Cotentin Peninsula. The Isle of Wight, for example, is not a "Channel Island", despite being located in the Channel.

Channel Islands - Wikipedia

Written by one of the most brilliant and provocative historians at work today, *The Isles* is a revolutionary narrative history that presents a new perspective on the development of Britain and Ireland, looking at them not as self-contained islands, but as an inextricable part of Europe.

The Isles: A History by Norman Davies | 9780195148312

...

Norman Davies, author of the critically acclaimed 'Europe: A History', has put together an interesting history of the British Isles, trying to portray them as a group that, while lacking unity, should be at least addressed as a unified group, always influencing and co-dependent upon each other.

The Isles: A History book by Norman Davies

Norman Davies is a knowledgeable historian, but I found this book to be unsatisfactory. As an overview of UK history, the narrative wanders aimlessly, pre-occupied with certain issues while brushing over critical themes with little more than oblique references.
