[PDF] The Loom Of Language Download Full - PDF Book Download

Published in the 1940s, The Loom of Language by Frederick Bodmer is sort of a secret bible to many of us in the translation services profession. It's the sort of older book only the true Word Nerds out there have heard of, much less read - and so many of us have read it, more than once, that it easily serves as a membership card to a very private club of sorts.

The Loom of Language | One Hour Translation

For that reason the last chapter of The Loom of Language will deal with principles which must dictate a wholly satisfactory solution of the world-language problem. Whatever final decision blind fate or intelligent prescience imposes on the future of the most widely distributed and the only talking animal on this planet, this much is clear.

Pioneers of Language Planning - The Loom of Language ...

When I left school, I became aware of a book called : the Loom of Language. I found it mind-blowing in the sheer range of ideas about language it contained, and I wished I'd heard of it when I was younger. I might not have wasted so much time at school! So I write to make people here aware of it and hope it helps them as much as it helped me.
