The Secret Life Of Pets is exactly what the trailer promises, fun, entertaining, and wildly adorable. Younger audience members, as well as those very young at heart, are the target group for this movie hands down. It has the laugh factor certainly, and the cast of characters are a motley crew that I certainly enjoyed.

### **The Secret Life of Pets (2016) - IMDb**

Children seem quite competent at tolerating and even thriving when they have empathic parents who give them a clear understanding, within their zone of proximal development, of what is going on. It is when their parents cannot face their own secret lives and, instead, see their children as the problem that children become distressed and symptomatic.

Parents need to know that The Secret Life of Pets is a clever, engaging adventure about what our dogs, cats, birds, and other domesticated creatures get up to when we're not around. In the movie's case, it involves quite a bit of danger and peril -- which isn't what was showcased in the movie's promotional campaign.
