Story of the World, Vol. 4: History for the Classical ...

The hardest part of writing a world history is deciding what to leave out. In The Story of the World, I have tried to keep history simple and straightforward by highlighting the major events, personalities, and national stories of the world's cultures, in (more or less) chronological order. There's no way to simplify

For humanity's evolutionary history, see Human evolution. Human history (or the history of humanity), also known as the history of the world, is the carefully researched description of humanity's past. It is informed by archaeology, anthropology, genetics, linguistics, and other disciplines; and, for periods since the invention of writing, by recorded history and by secondary sources and studies.

The Ultimate Guide to Using Story of the World in Your ...

The Story of the World is a very popular history curriculum in Christian homeschool circles and co-ops. My husband and I originally wanted to look into Mystery of History, but at the time (our oldest was 6) some other more experienced moms advised that it might be better to wait a few years because it was a bit more rigorous than we probably needed right away.
