The Storytelling Animal is about the way explorers from the sciences and humanities are using new tools, new ways of thinking, to open up the vast terra incognita of Neverland. It's about the way that stories—from TV commercials to daydreams to the burlesque spectacle of professional wrestling—saturate our lives.

Take note that this book is not in step-by-step format and Cesar uses experiences and storytelling throughout. A lot of "How To" books give actual steps in a certain order, but I enjoyed reading the storytelling style better for this topic because I could almost connect it to the Dog Whisperer show as a visual.
