A well-organized paragraph supports or develops a single controlling idea, which is expressed in a sentence called the topic sentence.

TOPIC SENTENCES AND SUPPORTING DETAILS

Consider rephrasing "in a nutshell" to briefly or in brief or in short. Rather than "hot topic" consider variations using phrases like "a subject undergoing intense study", "receiving close review", "of broad and current interest", etc. Phrases like these add verbosity and weakness if overused but will raise no eyebrows.

"hot topic" as phrase in thesis

Many are familiar with the Occam's Razor theory which implies, in a nutshell, that the simplest answer is most often the correct answer. In a nutshell that means higher completion rates, fewer zero outs, greater customer satisfaction, lower costs and hopefully greater profits. Examples from Classical Literature
