|FREE| Understanding Youth And Crime

How are “communities” (broadly defined) important in understanding the nature and extent of (youth) crime? Rather than focusing solely on characteristics of individuals, or criminal justice policies, those who are interested — perhaps especially in cities — in doing something about crime might consider what can be done to create communities that are associated with low crime rates.

Youth Crime: The Impact of Law Enforcement Approaches on ...

This title was first published in 2003. Adolescence is popularly understood as a transitional phase of turbulence and extremes. It is also often associated with 'trouble'. Criminal justice statistics, however, reveal that youth criminality remains a relatively rare phenomenon, less than one percent of the total adolescent population in any given year. This exceptional book is based upon a ...
