Waterloo Four Days That Changed

Waterloo was not a single battle it was a couple spread over four days what Tim Clayton explores in the book is how much battles are won not by brilliant strategy but by mistakes, jealousies and perhaps most of all in the an era where the postal service was still new, communication. What the book does particularly well is to mingle the giants of the conflict [Napoleon, Wellington, Blucher and Gneisenau] with the lives and experiences of the ordinary soldiers caught up in the maelstrom of the ...

How the Battle of Waterloo Changed the World On a horrible day 200 years ago, two great commanders, Napoleon and Wellington, fought a decisive battle and the world turned upside down. 8 Minute Read

How the Battle of Waterloo Changed the World

Despite the subtitle, "Four days that changed Europe's destiny" the book gives only relatively brief attention to the wider context of the battle, and in doing so assumes that it was necessarily important - as opposed to the counter-argument that given the relative strengths of France and the alliance Napoleon faced, he was bound to lose the campaign of 1815 even if he had won the first major battle.
