Remember, no matter what part of the world we come from, fundamentally we are all the same human beings. We all seek happiness and try to avoid suffering. We have the same basic needs and concerns. Furthermore, all of us human beings want freedom and the right to determine our own destiny as individuals. That is human nature.

### **Fundamentally, we are all the same human beings**

The fact is, we all are born through similar biological process. The biological traits we share varies depending on the genes from our parents, but in a broader sense, we all are the products of the same evolutionary process that is in action on this planet for millions of years.

### **Are we all the same? - Quora**

We are all the same, human. We bleed the same color, red. Are bodies work the same, yet everyone thinks the color of your skin defines how high or low you are in society. Don't let anyone tell you aren't good enough because of your skin color, race or whatever it might be. We are all capable of great things, no matter what anyone says.
